Funding

Available funding

Up to \$2,000 of grant funding is available.

Successful applicants will need to organise their own travel and accommodation and cover all travel costs up front. After contracting, they will invoice Screen NSW for the agreed sum to cover a portion of these expenses on the provision of an acquittal report at the conclusion of travel.

Screen NSW will provide one grant per company or individual applicant:

- For individuals, grants of up to \$1,500 ex GST will be available
- For companies or project teams, where two key creatives (producer, writer, director) are part of the application, grants of up to \$2,000 will be available. All applicants must be NSW residents and attending the same event. This is non-transferable to another company representative without prior approval from Screen NSW. Co-contributions from third parties are allowable for non-Screen NSW covered expenses.

Eligible applicants may receive domestic market travel support from Screen NSW only once in a single financial year. However, a company may be eligible to attend more than one market, if they are supporting different key creatives and projects at different events.
